TECHNICAL CASES

EXPLORER CASES

WORK by gt Line

SINCE 1970
AN ITALIAN COMPANY

EN 2022

www.gtline.com

GT Line was established in Bologna in 1970 and specialized from the beginning in the production of technical cases.
In a few years since its foundation, GT Line has become the leader in this field as well as the company offering the widest choice of products in the whole Europe.
More than 50 years of experience and the UNI EN ISO 9001:2015 certified production process are the best guarantees of the quality of professional tool cases, waterproof cases and computer cases that are designed and built in our factories with advanced technologies and selected materials.

GT Line is a world-leader in the field of technical and professional cases because of its entrepreneurial spirit, technological research, precision manufacturing, quality control and the continuous upgrading of its resources.
GT Line has a firm hold on the European market thanks to its network of distributors and agents that operates in the hardware, tool, electrical and thermo-hydraulic fields.
Moreover, GT Line operates worldwide thanks to a well-consolidated network of partner distributors.

GT Line owes its success to the continuos investments in research, product development and innovation in general.
In the GT Line's management vision, these are the only viable chances of competing on the global market.

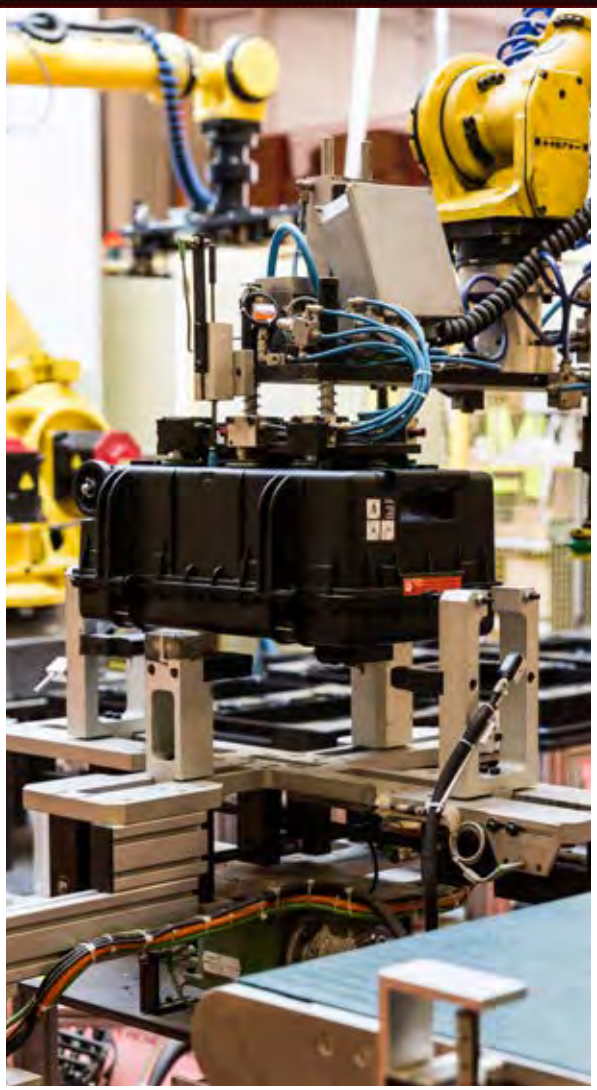
In line with that, constant effort is dedicated to the development of new materials as well as the evolution of production procedures, to make our cases always up to the expectations of the most demanding maintenance professionals.

Technical, industrial and professional tool cases, manufactured with different materials.

Virtually indestructible, durable, protective waterproof cases for extreme applications.

Tool bags, tool backpacks, accessories, tool jackets ideal for PROS and DIYers.

To cope with an ever increasingly competitive market, GT Line continuously expands its knowledge and technical skills, by looking for new materials to improve the basic requirements of technical cases (robust, lightweight and functional) like aluminium, ABS, polyethylene, polypropylene, carbon fibre, etc.
GT Line, with its two factories in Europe and one in Asia, does not neglect the importance of aesthetic and care for details, always offering new solutions characterized by the elegance of its design Made in Italy.



st

• Stronger telescopic handle

Modular tool chest with various adjustable drawers configurations.
Injection molded body made of copolymer PP material, able to withstand shocks, rough usage and harsh weather conditions.
A number of optional accessories such as lid tool pallets, pivoting wheels set, and extra drawers are available.
General features:
- Telescopic handle and four robust and silent self-oiling wheels
- Unique "stop-in-open-position" drawers system
- Removable tray in the upper compartment
- 2 Sides handles and central lock with key
- I.D. removable label and label for content identification
- Various padlockable points
- 2 jam free top lid latches and 2 front main door latches
- Removable upper top lid and removable front main door
- Ability to stack

AI1 - drawers ready

• upper removable tray
• 2 x H30 mm. component boxes mod. WL01 (6 compart. each)
• 2 x H30 mm. componentboxes mod. WL02 (13 compart. each)
• 1 x H30 mm. component box mod. WL04 (10 compart. each)

• silent self-oiling wheels

WL COMPONENT BOXES INCLUDED

AIDRAW: shock proof polypropylene drawers available in 3 different heights. Specifically designed to contain components and accessories, can be easily inserted into the toolchest. Available in 3 different configurations: completely empty (.E), with a bicolor pre-cubed foam (.F) or with bin boxes for small components and accessories (.B1).

V-ROCK TURTLE

New vertical tool case, made entirely of HDPE resin, a real shield against accidental shocks. Special extra thick aluminium trim for tight closure. High capacity case with reinforced corners, ideal for air travelling engineers that carry both tools, spare parts and components. Resistant to airport handling.
General features:
- two ergonomic handles with rubber coated grip
- telescopic handle and new Ø 120 mm wheels provided with ball bearings
- large base area for tools, power tools, accessories and spare parts
- New gas pressurized lid supports

- TSA LOCK™ with safety release button

TRAVEL SENTRY®

- Steel piano hinge, resistant and reliable

- New gas pressurized lid supports

- Large base area for tools, power tools, accessories and spare parts

- Ability to stack

V-ROCK TURTLE PEL

- 1 document wallet
- 1 lid tool pallet with elastics on both sides and a practical large pocket with closing flap
- 1 bottom pallet with elastics on one side
- 2 metal TSA LOCK™ with keys
- 3 small component boxes

V-ROCK TURTLE PTS

- 1 document wallet
- 1 lid tool pallet with pouches on both sides and a practical large pocket with closing flap

WHEELS & TELESCOPIC HANDLE

AIRPORT HANDLING RESISTANT

SHOCK PROOF

The double wall construction technique and the body in shock-proof high density Polyethylene, with great resistance to high and low temperatures and to most of the corrosive chemical substances, grant to this case the highest level of reliability on the market.
Air transportation handling resistant.
The TSA LOCK™ allows the case to be checked at the airport by security officers.
General features:

- roto moulded polyethylene shell with incorporated feet
- 2 metal lid safety support stays
- wheels provided with ball bearings and telescopic handle
- bottom area with adjustable dividers
- ergonomic handle, rubber coated grip

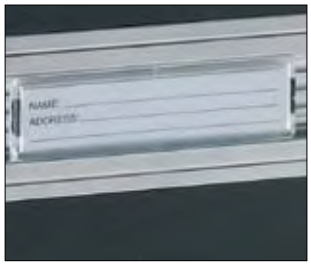
Technologically advanced, injection moulded, high thickness Polypropylene tool case. This material makes the case extremely resistant against chemical corrosion, shock, high and low temperature.
The injection technique ensures constant material thickness, even in the corners. Large and thick aluminium trim, makes the case ideal for daily, heavy duty use.
The case can accommodate up to 3 tool pallets.
General features:

- 2 metal lid safety support stays
- 3 metal hinges for maximum strength
- ergonomic handle, rubber coated grip

ATOMIK215 PEL

- 1 lid tool pallet with elastics on both sides
- 1 bottom tool pallet with elastics on one side
- bottom area with removable dividers



- Address label

- Metal locks with keys

- Bottom area with removable dividers

- Art. LOCKATOMIK: Available as accessory. Pair of fully retrofittable combilocks.

FRONT

BACK

Additional tool pallet (art. PAN ATOMIK) available as accessory upon request. Front with PSS system, back with elastics (only for PEL and PTS models).

Art. FOAM ATOMIK: Available as accessory. Removing the dividers, the bottom area can be equipped with pre cubed foam layers.

• FLEXI POUCHES™ - Patented Tool Fixing System

Polypropylene case manufactured using injection molding technique. Compact size, high load capacity and lightweight.
General features:

- document area in the lid
- soft grip rubber handle
- metal lid support stays
- 2 small component boxes

- latches with keys

BOXER PEL

- 2 tool pallets with elastics

- Vacuum formed bottom tray

BOXER PTS

- 2 tool pallets with pouches

CYBER BOXER

Polypropylene computer case.
General features:

- latches with keys
- soft grip rubber handle
- organized document pouch
- rigid panel for notebook
- bottom area with pre-cubed foam
- adjustable shoulder strap

Injection moulded, high thickness Polypropylene tool case on wheels. This material is extremely resistant against chemical corrosion, shock, high and low temperature. When travelling, the case is in horizontal position. Compact size, high load capacity and lightweight.
General features:

- new telescopic handle
- wheels on ball bearings
- soft grip rubber handle
- document area in the lid
- metal lid support stays
- bottom area with removable dividers
- 2 small component boxes
- new latches with keys

Completely renewed design for the REVO21 family of cases. The two versions, with and without wheels, are made of Polypropylene material, through injection molding technique. This material guarantees excellent resistance to corrosive substances, shocks and high / low temperatures.
General features:
- 2 locks with key
- new, robust aluminium profile
- new ergonomic handle with rubber grip
- 3 rear hinges for maximum resistance

- Stitched elastic bands

REVO21 PEL

- 2 tool pallets with elastics

- Bottom area with removable dividers

- FLEXI POUCHES™ - Patented Tool Fixing System

REVO21 PTS

- 2 tool pallets with pouches

- Stitched elastic bands

REVO21 WH PEL

- 2 tool pallets with elastics
- wheels on ball bearings
- telescopic handle

- Bottom area with removable dividers

- FLEXI POUCHES™ - Patented Tool Fixing System

REVO21 WH PTS

- 2 tool pallets with pouches
- wheels on ball bearings
- telescopic handle

• tool pallet with elastics on both sides

GT top aluminium case with combi lock.
General features:
• cold moulded body realized from a 15/10 mm. thick aluminium sheet
• aluminium profile for a more reliable closing
• 2 chromed steel locks
• combination lock with 3 digits
• 3 metal hinges
• 4 metal feet
• chromed ABS handle with soft grip
• vacuum formed tray with 3 compartments
• metal lid support stays with safety spring pawl

R7/TOP

• 2 tool pallets with elastics
• double document wallet
• 2 small component boxes

• Stitched elastic bands

• vacuum formed tray with 3 compartments, one of which suitable for a drill.

R7/TOP2 PTS

• 2 tool pallets with pouches
• double document wallet
• 2 small component boxes

R7/TOP	474	355	178	74	104	6,0
R7/TOP2 PTS	474	355	178	74	104	6,5

Traditional ultra resistant tool case, reliable thanks to the construction technique based on an unique aluminium cold bent body 15/10 mm. thick.
Reinforcements in chromed iron and corrosion resistant aluminium "L" section extrusions.
General features:

- chromed ABS handle with soft rubber grip
- aluminium profile for a more reliable closing
- 2 metal chromed locks
- 3 metal chromed high thickness hinges
- shoulder belt

ALC/170

- document wallet
- 2 tool pallets with elastics
- 2 small component boxes
- 2 metal lid support stays

- Vacuum formed bottom tray with fixed compartments

INTERNAL DIMENSIONS (mm)

Model	A	B	C	D	E	
ALC/170	435	335	185	85	100	5,9

Lightweight tool case with thick steel corners and metal reinforcements on the profile to grant absolute protection.
General features:

- 2 metal locks with keys
- reinforced internal structure
- rubber grip handle
- shoulder belt optional accessory (KIN.0359)
- 2 metal hinges
- 4 rubber feet (on the bottom and on the lower shell)
- metal lid support stay

WATER RESISTANT

SHOCK PROOF

CORROSION PROOF

HIGH & LOW TEMPERATURE PROOF

Lightweight high capacity injection moulded polypropylene box for tough, heavy duty use. Ideal for use where high loading capacity is needed like construction sites, maintenance, transport, outdoor, nautical equipment.

General features:

- moulded integral lifting points on both ends
- full length steel hinge pin to lid
- positive grab over latching catches
- lid reinforcements
- slide out clear ID-Nameplate holder
- use in high/low temp environments
- padlocking provision
- side handles for two men carriage
- large front handle for hand carrying

MUB78

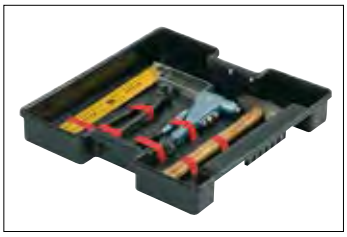
- empty
- side handle for use on wheels

MUB78 GT

- 2 trays with dividers
- 2 elastic kits (Art. KIT03)
- side liftable handle for use on wheels

Ability to stack

Art. KIT03: elastic bands and metal clips (not included in the Art. KIT TRAY MUB)



Art. KIT TRAY MUB: 1 tray with divider (the Art. KIT03 is not included)

MUB65

- empty

GENUINE LEATHER

Heavy-duty tool bags made with high quality genuine leather.
General features:
- reinforced stitching
- high thickness genuine leather with scratch proof surface
- metal snap locks
- heavy duty bottom tray made of zinc plated iron
- shoulder belt (optional only for BCP01 and BCP01 PSS mod.)

BCP 01

- swing down front pallet with stitched sides to keep a 90° opening
- interior sides with stitched tool pouches and straps

BCP 02

- external document pouch
- swing down front pallet with stitched sides to keep a 90° opening
- interior sides with stitched tool pouches and straps

BCP 03

- external document pouch
- swing down front and rear pallets with stitched sides to keep a 90° opening
- central pallet with stitched tool pouches on both sides
- interior sides with stitched tool pouches and straps

GENUINE LEATHER

BCP 01 PSS

- swing down front pallet with stitched sides to keep a 90° opening
- 2 PSS™ bars for the storage of medium and big size tools

BCP 02 PSS

- external document pouch
- swing down front pallet with stitched sides to keep a 90° opening
- 2 PSS™ bars for the storage of medium and big size tools

BCP 03 PSS

- external document pouch
- swing down front and rear pallet with stitched sides to keep a 90° opening
- 4 PSS™ bars for the storage of small, medium and big size tools

WORK
by GT Line

Heavy-duty tool bags made with tear resistant nylon 600D fabric, having the same shape and load capacity of the traditional leather bags.
General features:
- reinforced stitchings
- tear resistant Nylon 600D fabric
- bottom tray made of zinc plated steel
- water resistant TARPAULIN™ bottom
- adjustable padded shoulder belt
- handle with rubber grip
- refractive inserts for higher visibility

BTP 01 R - WL00063

- swing down front pallet with stitched sides to keep a 90° opening
- interior sides with stitched tool FLEXI POUCHES™

BTP 02 R - WL00042

- swing down pallets with stitched sides to keep a 90° opening
- interior sides with stitched tool FLEXI POUCHES™ and PSS™ system

- swing down pallets un both sides (front and rear)

BTP 03 R - WL00043

- swing down pallets with stitched sides to keep a 90° opening
- interior sides with stitched tool FLEXI POUCHES™ and PSS™ system

TOP 05 R - WL00019

Multipurpose tool and laptop bag with rubber grip ergonomic handle and adjustable shoulder strap. Can accommodate a 15" laptop. Charge pocket included.

Dim.: 390x120x310 mm. - Weight: 1,45 Kg.
L W H

EAN Code: 8024482189185

TOP 10 R - WL00023

Multipurpose tool and laptop bag with rubber grip ergonomic handle and adjustable shoulder strap. Phone holder. Charge pocket included.

Dim.: 400x130x310 mm. - Weight 1,4 Kg.
L W H

EAN Code: 8024482189192

TOP PILOT R - WL00015

Pilot multipurpose tool and laptop bag with adjustable shoulder strap. Vertical access storage. Can accommodate a 18" laptop.

Dim.: 470x160x330 mm. - Weight: 2,9 Kg.
L W H

EAN Code: 8024482188898

TOP 07 R - WL00013

Tool backpack with internal and external pouches for tools, accessories and documents.

Dim.: 300x140x400 mm. - Weight 2,3 Kg.
L W H

EAN Code: 8024482188775

Extractable tool pallet

Injection molded rigid bottom

TOP 07 XL R - WL00012

Tool backpack with internal and external pouches for tools, accessories and documents. Padded notebook area (up to 17"). Extractable tool pallet with elastics and pouches on both sides.

Dim.: 370x200x500 mm. - Weight 2 Kg.
L W H

EAN Code: 8024482188768

TOP ROLLER R - WL00011

Tool trolley with wheels and telescopic handle. Adjustable shoulder strap.

Dim.: 450x210x380 mm. - Weight: 2,7 Kg.
L W H

EAN Code: 8024482188751

TOOL TROLLEY 01 R - WL00010

Tool trolley/backpack designed for carrying both, tools and a 15" notebook.
2 frontal pouches for documents and accessories.

Dim.: 360x200x480 mm. - Weight: 4,25 Kg.
L W H

EAN Code: 8024482188744

Large wheels and easy extractable telescopic handle

Two internal double-sided reversible pallets, one with pouches for tools and one with a soft padded area for a 15"notebook.

Extractable rear straps transform the trolley into a practical backpack.

TROLLEY BASKET R - WL00062

Spacious tool trolley, designed for carrying a large number of tools and a notebook. Large and robust metal handle. Adjustable shoulder strap. Frontal and side pouches for accessories.

Dim.: 500x340x400 mm. - Weight: 4,25 Kg.
L W H

EAN Code: 8024482189796

Large wheels and easy extractable telescopic handle

Removable top cover

BAG & CASE PTS R - WL00014

Tool case with 2 extractable pallets with FLEXI POUCHES PLUS™ system. Bottom compartment with adjustable dividers. Zip with padlockable metal clip. Adjustable shoulder strap. Rubber corner reinforcements.

Dim.: 455x170x360 mm. - Weight: 4 Kg.
L W H

EAN Code: 8024482189512

BAG 01 R - WL00016

Tool bag with 2 extractable tool pallets with elastics. Internal pouch includes a special heat resistant ceramic cap to contain a soldering iron.

Dim.: 450x90x345 mm. - Weight: 1,5 Kg.
L W H

EAN Code: 8024482189697

PSS COMPACT BAG R - WL00024

Compact tool bag with two removable PSS™ tool pallets. Adjustable shoulder strap and large side pockets. Two small component boxes included (Art. WL 01 - WL 02).

Dim.: 230x110x320 mm. - Weight 1,5 Kg.

Drill or screwer waist scabbard.
Fits to art. TOP BELT R.

Dim.: 150x35x350 mm. - Weight 0,1 Kg.
L W H

EAN Code: 8024482189468

TOP ELECTRA R - WL00041

Organized tool waist pouch.
Fits to art. TOP BELT R.

Dim.: 280x70x300 mm. - Weight 0,25 Kg.
L W H

EAN Code: 8024482188799

PSS POCKET R - WL00040

Organized tool waist pouch with 2-tier PSS™ system. Tape holder.
Fits to art. TOP BELT R.

Dim.: 220x25x320 mm. - Weight 0,5 Kg.
L W H

EAN Code: 8024482189536

TOP BIT R - WL00064

Bits waist holder.
Fits to art. TOP BELT R.

Dim.: 110x25x155 mm. - Weight 0,1 Kg.
L W H

EAN Code: 8024482189819

TOP NAIL R - WL00073

Nail waist pouch with drawstring to prevent spillage of contents.
Fits to art. TOP BELT R.

Dim.: 160x60x160 mm. - Weight 0,1 Kg.
L W H

EAN Code: 8024482189819

SOFT TROLLEY 01 R - WL00049

Multifuction trolley/backpack for tools, laptop, accessories and documents. Extractable internal pallet. Adjustable shoulder straps.

Dim.: 310x190x480 mm. - Weight 2,5 Kg.
L W H

EAN Code: 8024482188867

Extractable pallet

SOFT PILOT R - WL00050

Pilot multipurpose tool and laptop bag with adjustable shoulder strap. Can accommodate a 15.6" laptop. Detachable front compartment convertible into a practical carrying tool bag.

Dim.: 420x205x360 mm. - Weight: 2,1 Kg.
L W H

EAN Code: 8024482188874

Detachable front compartment

Vertical access storage

BAG 04 R - WL00051

Tool bag with internal and external pouches.

Dim.: 320x210x240 mm. - Weight 0,5 Kg.
L W H

EAN Code: 8024482188942

BAG 05 R - WL00052

Tool and document bag with pouches.
Adjustable shoulder strap.

Dim.: 400x310x55 mm. - Weight 0,7 Kg.
L W H

EAN Code: 8024482188966

BAG 06 R - WL00053

Tool bag with internal and external pouches.
Adjustable shoulder strap.

Dim.: 510x200x270 mm. - Weight 1,2 Kg.
L W H

EAN Code: 8024482188959

BAG 07 R - WL00054

Tool bag with internal and external pouches.
Document area. Foldable internal tool panel.

Dim.: 310x120x390 mm. - Weight 0,8 Kg.
L W H

EAN Code: 8024482188881

TOP TOOL ROLL R - WL00032

Tool roll with stitched pouches and elastic strips for tools.

Dim.: 605x540 mm. (open) - Weight 0,4 Kg.
L H

Dim.: 350x180x50 mm. (closed)
L W H

EAN Code: 8024482189406

TOOL ROLL 12T R - WL00035

Tool roll with 12 pouches.
Closure with buckle.
Dim.: (open): 500x320 mm. - Weight 0,35 Kg.
L H

EAN Code: 8024482189437

TOOL ROLL 15T R - WL00034

Tool roll with 15 pouches.
Closure with buckle.
Dim.: (open): 680x320 mm. - Weight 0,4 Kg.
L H

EAN Code: 8024482189420

TOOL ROLL 20T R - WL00033

Tool roll with 20 pouches.
Closure with buckle.
Dim.: (open): 790x320 mm. - Weight 0,5 Kg.
L H

EAN Code: 8024482189413

New INTELLIRESPOND System

Smart Case System with embedded RFID NFC technology

www.intellirespond.com

INTELLI RESPOND

RFID NFC TECHNOLOGY

Expand your case functions to a new web connected dimension!

IntelliRespond is a smart way to manage your cases and bags, the heart of the system is the "IntelliRespond App" Available for IOS and Android devices, this app handles a variety of useful features:

Google Play Download on the App Store

MY PRODUCT
Access all information about your cases (Model, Technical specs, Warranty etc.)

KIT MANAGER
Case Content Management (Store, check and see the content of your case without opening)

MY SERVICE
Online assistance for any kind of inquiry concerning the product (Maintenance, Spare Parts, Tech Support etc.)

NOTIFICATIONS
Receive any Product & Marketing update from GT LINE and keep track of your case activity list

From now on everything will be as easy as tapping your phone!

Cat Gen GT '22 ENG ed. 1 - 1.000 09/22 - MP.0480
